

# 2009 CENSUS OF HORTICULTURE

---

The Census of Horticultural Specialties, conducted once every 10 years, provides the only comprehensive, detailed data on U.S. floriculture, nursery and specialty crop operations.

It's time to share your voice and show the nation the value and importance of the horticulture industry. Your responses will help shape decisions regarding farm policy, funding availability, research and development and other issues.

Look for the 2009 Census of Horticultural Specialties in your mailbox in December. It's your voice, your future and your responsibility.
